Grade: A B C D F

# Characterization

Directions: You have learned that authors reveal characters in five different ways. Find examples of character portrayal in the following text, label the technique the author used, and explain what it reveals (shows) about the character.

Character's name:

Copy the text from the book or story here:

What's it show?  
A trait?

page #

- Speech
- Thoughts
- Effect
- Action
- Looks
